

# Access to markets for longer.

If you're looking to spread the sale of your wheat after harvest, sign up to Cash9 and we'll do it all for you. **Simple. Easy. Transparent.**

The objective of Cash9 is to provide participants with exposure to global markets while using commodity derivatives and foreign exchange strategies that protect and enhance returns.

We sell your wheat for cash from December to September, spreading your risk and return.

**Simple. Easy. Transparent.**

## How Does it work?

Deliver directly to Cash9 via loadnet between 1st November and the 18th January. A \$6.00 per tonne management fee applies to Cash9.

### Select from five payment options:

- 1) 3 payments over 9 months.
- 2) An advance payment of 70% (paid five days from the end of week of delivery (Sunday)); and a 30% payment in October. Finance costs apply.
- 3) Defer your entire payment until the next financial year, 80% of payment paid in July and 20% paid in October.
- 4) Harvest Loan: 80% of estimated payment (paid in five days from the end of week of delivery (Sunday)); and 20% final payment in October. Finance costs apply.
- 5) Flexi Loan: Access to up to 80% of estimated payment (paid in five days from the end of week of delivery (Sundays)). Finance costs apply.
